

SEAMLESS GLOBAL MESSAGING FOR SMARTPHONES IS HERE

Meet ZOLEO

For Those Who Venture Beyond Mobile Coverage

Only ZOLEO works with your phone or tablet to provide seamless global messaging that follows you beyond mobile coverage, and back again. It also includes added safety features you can count on world-wide.

What makes ZOLEO unique is that it transmits messages over **satellite, cellular and Wi-Fi**, so you can count on your connection wherever you go. Never miss a message again!

ZOLEO Enables the Connections That Matter

Being off-the-grid doesn't have to mean being out of touch – or leaving your sense of security behind.

What can ZOLEO do?

Connects via
Bluetooth LE

Global 2-way messaging
(text, email, app-to-app)

SOS alerting with 24/7
expert monitoring

Get weather forecasts
from Dark Sky™

Check in to let others
know you're OK

Share your GPS
location

Make it easy for contacts
to **reach you anywhere**

ZOLEO, for Wherever You Go

When you're beyond mobile coverage...

The ZOLEO satellite communicator connects with our free app, on your phone or tablet, so you can send and receive messages anywhere on the planet via the Iridium satellite network*.

** When there's no cellular or Wi-Fi coverage, ZOLEO transmits messages over the Iridium satellite network. Iridium provides coverage over every inch of the planet – including landmasses, oceans and airways.*

When you're within mobile coverage...

Uniquely, the ZOLEO App seamlessly delivers messages over cellular and Wi-Fi. You'll get the message, even if your ZOLEO satellite communicator is turned off or being used by a friend!

Global Messaging, as It Was Meant to Be

Use ZOLEO to enjoy a truly seamless global messaging experience from your phone or tablet, at a price you can afford.

- **Extends your messaging coverage** seamlessly by transmitting over satellite, cellular and Wi-Fi
- Offers a **familiar messaging experience**
- Makes it easy for contacts to reach you via your **dedicated ZOLEO SMS number and email address**
- Priced to ensure you **enjoy more value for your money** versus other Iridium-based communicators

Safety Features for Peace of Mind

Wherever you go, you'll have access to SOS alerting, check-in and weather forecasts. That's added peace of mind for you and for everyone waiting at home.

Industry-leading Progressive SOS

When you declare an SOS, your alert and GPS coordinates will be sent to our expert 24/7 emergency response coordination partner. They will confirm your emergency and dispatch help. If your situation changes you can easily cancel the SOS via the app or device. Uniquely, ZOLEO users also enjoy **progressive SOS alerting**. Upon activating an SOS alert, ZOLEO users receive ongoing step-by-step **updates throughout the incident** via the free ZOLEO app and can exchange messages with our emergency service.

Getting to Know ZOLEO

Compact and durable, ZOLEO has a long-lasting battery and superior water-resistance. You can count on it wherever you go.

**SOS and check-in work directly from the device, or via the ZOLEO App.*

ZOLEO Mobile App

Our free app* is the key to all of the awesome global messaging and safety features of ZOLEO.

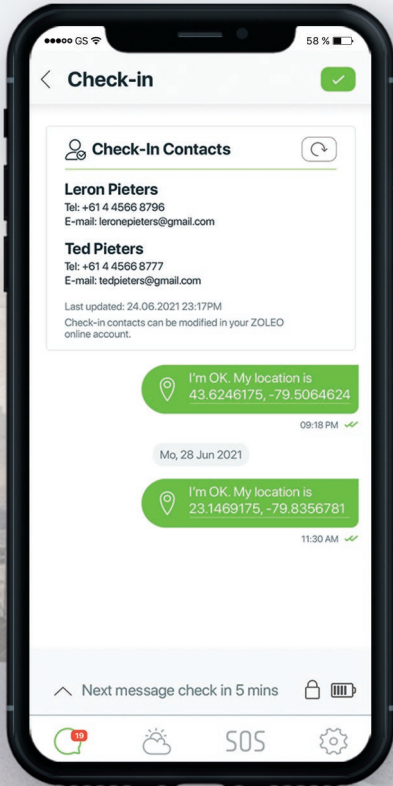

Messaging

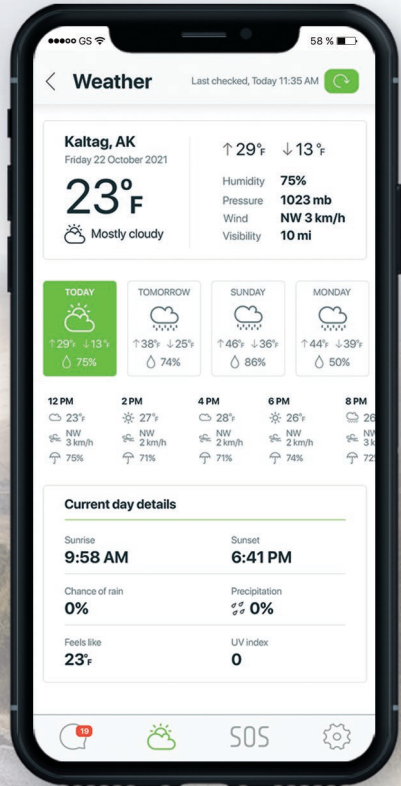

SOS Alerting

**Available in multiple languages.*

Check-in

Weather

Share Your Location

Let others know where you are with these **standard features**:

Share your GPS coordinates in a message

Automatically include your GPS coordinates with check-in messages (optional)

Location Share+ (Add-on subscription)

Location Share+ enables ZOLEO users to automatically share their location with their check-in contacts, on a user-selected interval from every 6 minutes to 4 hours. Recipients will be able to use the free ZOLEO app to view the current location and breadcrumb trail on a map. ZOLEO users can start/stop location sharing any time, and also download maps for use offline. Location Share+ is an optional add-on subscription* that **includes unlimited check-in and location share messages.**

**Note: Additional charges apply and can be cancelled any time. For pricing, visit zoleo.com/plans.*

Accessories

ZOLEO Universal Mount Kit

Secure and charge the ZOLEO device on the windshield of a vehicle or vessel, or any window. Includes the complete Cradle Kit, plus a USB car charger and RAM® Twist-Lock™ Suction Cup Mount for a strong hold on any glass or non-porous plastic surface.
